

CHARVIL PARISH COUNCIL

Amenities & Recreation Committee

Minutes of a Meeting held on 2014 following on from the Village Hall Management Committee Meeting on Monday 2nd March 2015

Present: Chris Drew, John Davies, Lauren McCann
Apologies: Paul Mundy (Chair)
Absent: Jim Gillett, Liz Black

Minutes from **Monday 2nd February 2015** were approved.

Open Forum – a resident attended to explain his ideas to increase the number of flowers in Charvil by distributing easy to plant flower seeds to residents with instructions of how to plant etc. Council explained that some places may be difficult because of the grass being cut, but that in principle it was a good idea. It was suggested he e-mail the clerk with his ideas and come back to Council in the autumn so that there would be more time to roll out his idea if seen as viable. The clerk was asked to add this to the main Council agenda.

Matters arising from previous minutes None

St Patrick's Recreational Ground

Cllr McCann has volunteered to take on the weekly visual inspections of St. Patrick's Recreation Ground, the MUGA and the Picnic Benches. If a suitable course can be identified, then she will attend.

The clerk is still waiting for one more quote for the repairs at St. Patrick's, so a decision on this was deferred to the full Council meeting.
