Amenities & Recreation Committee

Minutes of a Meeting held on 2014 following on Monday 12 May from Village Hall Management meeting, in the Village Hall.

Present: Paul Mundy (Chair), Lauren McCann, Trevor Andrews

Apologies: Chris Drew

Minutes from **Monday 3 March 2014** were approved.

Matters arising from previous minutes None

St Patrick's Recreational Ground

- All weekly reports received from Mr. Burns. Mr Burns has reported that he had to remove splattered paint from the slide. The bin is broken and a replacement needs to be purchased.
- The Rospa report has been received and the overall risk rating is low.

The report recommends that:

- a. the entrance gate into the park has a self closure fitted. This is ranked as a low risk.
- b. the rusted paint work on the climber is attended – very low risk
- c. the wooden seat on the climber is removed – low risk
- d. the ground levels are built up around the edges of the safe surface – low risk
- e. the D-shackles on the cradle swings are loosened – very low risk
- f. the ground level is built up around the safe surface – low risk

Notice boards Nothing to report.

Fishing Nothing to report.

Vegetable Plots Nothing to report.

Bus Stops The Assistant Clerk has arranged for a clean.

Benches The 3 benches on The Old Bath Road will be renovated at the cost of £280.00 and the work will be carried out by Traditional Decorators. The Assistant Clerk will check the contractors public liability insurance.

MUGA Cllr Mundy requested a check on the school muga to question whether it was supposed to be accessible by the public. The ROSPA report has been received and the muga has been assessed as having a medium risk factor, due to the nature of its use.

Country Park Vegetation around and near the stream was cleared by the Community Payback Team but some rubbish remains on site. The shelter is to be installed shortly. Dog fouling has been observed on the foot paths. Some signs are required and it was suggested that perhaps children could illustrate the signs.
